

VARIO perfect 1200 Platinum

CHASSIS

- Coach chassis VOLVO B 12 M (middle engine)
- 6 cylinder in line turbo diesel, intercooling
- Power 309 kW (420 PS) EURO 4 with SCR catalyser and operation supply item Ad Blue, Euro 5
- Displacement 12.000 ccm
- Torque 2000 Nm / 1200 U/min
- Wheelbase 5250 + 1350 mm
- Forced steered trailing truck axle with chassis modification on low profile tyres FA 385/55 R 22,5 on rims 11,75 x 22,5; HA 315/70R22,5 and trailing truck axle 385/55 R 22,5 , 8 x alloy rims ALCOA 22,5" high glossed polished, raised up chassis
- GVWR 24750 Kg
- Fuel tank 450 l
- Alternator 3 x 28V/80A
- 12-speed automatic transmission I-SHIFT, compact retarder integrated
- Air suspension at front and rear axle
- Independent wheel suspension at front axle
- Combined chassis body lifting / lowering system
- Anti- block - system (ABS)
- Traction control system (TCS, German ASR / anti skid system)
- Compressed air dryer, heatable
- Stabiliser boosted at front and rear axle
- Steering column adjustable, steering lock
- Outside thermometer
- Cruise control
- Tyre pressure monitoring system for 8 wheels
- Double air pressure horn with magnetic valve
- Air pressure port in storage room
- Splash guards front / rear end
- Hitch 3.500 kg, Outlet 12 V
- 4 hydraulic jacks GVWR 12.000-25.000 kg, double active cylinder, adjustment full automatic
- Additional manual use for hydraulic system

BODYWORK

- Measurements:
 - Length 12.000 mm
 - Width/body 2.500 mm
 - Width/overall 2.550 mm
 - Height 3.990 mm
 - Height internal in front 2.150 mm, wall thickness 46 mm
- full insulated self supporting body
- Glass fibre reinforced plastic (GRP) windshield, laminated safety glass windscreen, toned
- Drivers place / sliding window: insulated safety glass, toned
- GRP spoiler bumper, Xenon main light with additional high beam headlight, DE-fog light, headlight cleaner
- Mirror heatable and electric adjustable with long arms / forward turned additional wide angle mirror left / right, front mirror and close proximity mirror
- Steel tube grid under frame construction painted, storage room between axles
- Outside walls 3 mm Glass fibre reinforced plastic (GRP)
- Surface area / roof: aluminium
- Insulation all around 40 mm
- Design painting metallic
- GRP rear bumper with rear light unit
- Entrance door as front door at codriver side with internal hinges, 3-point lock, additional safety lock, entrance steps in codrivers foot area lockable with floor plate, electric use.
- Entry steps external, electric use, door contact, automatic retraction while engine starts
- 4 internal entry steps
- Engine service lid
- 2 x outside storage with lid and gas pressure put-up props
- Generator storage with lid, put-up hinge
- Grill engine cooler with gas pressure put-up props
- Gas bottle extension for 2 x 11 kg gas bottles in gas storage
- Outside storage rooms insulated and lined with needle felt, illuminated, heated
- One key locking system for storage lids and filler neck
- Out side lids: locks with 2-point locking system, gas pressure put-up props
- Central locking system outside lids
- Engine insulation with air guide plate
- Lid for diesel filler neck
- Windows: tempered double glass, toned
 - 2 x 1500 x 700 mm hinged windows / seating bench
 - 1 x 1500 x 700 mm hinged window / kitchen
 - 1 x 1000 x 500 mm sliding window / kitchen
 - 1 x 700 x 500 mm sliding window / bath
 - 2 x 1000 x 500 mm bedroom, sliding / hinged windows
- 7 x darkening- / mosquito blinds for sliding windows
- 2 x roof hatches with 12 V vent, forced ventilation
- Visible surfaces coated with velours light beige
- Position lights front / rear end
- LED side positioning lights
- Jack up mounted LED at rear end for flasher and brake
- Halogen side back lights 2 x white countersunk in side wall, operating via reverse gear
- LED outside lamp with integrated motion detector
- Undercoating

- Frame waxed
- Awning 6 x 2,75 m, painted, electric use 230 V
- Door awning, electric use 12 V (front door)
- Slide Out 1-hydraulic retractable oriel/drivers side with pneumatic seal system, surface heating system in roof and front sides, no oriel awning
- Slide Out 2-hydraulic retractable oriel in relax area / bed room / couch / wardrobe, with pneumatic seal system, surface heating system in roof and front sides boosted tube grid frame chassis construction, no oriel awning
- Bed Slide Out 3-hydraulic retractable oriel/bedroom with pneumatic seal system, surface heating system in roof and front sides, no oriel awning

INTERIOR

- Interior: furniture ply wood, real wood veneer on both sides, furniture lids: solid wood in luxury style, with put-up hinge
- Furniture design „bentART“, convex rounded lids real wood veneer, cubical furniture edges 30 mm
- Interior: American cherry, real wood veneer, surfaces glazed
- Push lock system for doors and lids
- Carpet not fixed, entrance with step ledge
- Furniture safe with electronic combination lock
- Drapes, curtains, stores, roman blinds

DRIVERS PLACE

- Bow heating system for drivers place heating
- Air condition drivers place
- Dashboard with diverse racks, covered with two tone leather
- Dashboard decor burl walnut
- Leather-/wood steering wheel
- Video rear vision system with side cameras, operating via flasher, colour rear vision camera with IR-LEDs and electrical dust lid, side colour cameras with IR-LEDs, 7" screen
- Luxury drivers seat electric adjustable, chair back with integrated headrest, adjustable armrests, integrated safety belt, leather upholstery
- Luxury codrivers seat electric adjustable, chair back with integrated headrest, adjustable armrests, integrated safety belt, leather upholstery
- Heater sides covered with wood
- Hanging cupboards with lids all around
- Blind box for insulated electric box ahead windscreen
- Illumination via halogen spots

LIVING ROOM

- Seating bench with form bolster, leather upholstery
- Couch extendable, double bed function, spring wood frame, storage box
- Illumination via diverse halogen spots 12V/10W
- Luxury living room seat, electric adjustable, chair back with integrated headrest, adjustable armrests, integrated safety belt, leather upholstery
- Bar table with floor cupboard and doors
- Dinette with form bolster, ALCANTARA upholstery
- Table top with centre table-leg, chrome
- Hanging cupboards with lids

KITCHEN

- Granite flooring, diagonal laying
- CORIAN / STARON counter top
- Kitchen rear panel: wood panelling
- 2-flames gas glass-ceramic cooker
- FRANKE sink, integrated colander sink CPX 160 with cover, eccentric stop
- Single hand control tap, chrome
- Rubbish bin with cover integrated in counter top
- Cutlery drawer and pull outs roller bearing
- Counter as sight and splash guard
- DOMETIC refrigerator 190 l with integrated 31 l ice box, removable AES (12V/230V/gas)
- Medium high pull out cabinet, baskets individual adjustable
- Central vacuum cleaner 230V, 12 m suction tube, central suction nozzle
- Micro wave / hot air oven with grill
- Dish washer FISHER & PAYKEL, extendable system
- Espresso machine JURA 230V
- Espresso automat niched in furniture, pull out mechanism, turnable, 230V outlet
- Hanging cupboards with lids and shelves
- Illumination via halogen spots
- Outlets

BATH

- CORIAN / STARON flooring
- CORIAN / STARON wash stand top with countersunk wash bowl
- Single hand control tap, chrome
- Floor cabinet with doors
- Mirror cabinet with shelves and chrome railing
- Porcelain chopper toilette with flushing mechanism
- CORIAN / STARON wall covering / shower
- Thermostatic tap / shower, chrome
- Sliding door between bath / living area
- Illumination Halogen spots
- outlets

BED ROOM

- Furniture eggshell finish, creme white
- Rear end bed with cold foam mattress
- FROLI bed system
- Nightstand with pull-out
- Outlets
- Wardrobe with 3 sliding doors, mirrored with electrical locking
- Illumination via halogen spots

PLATINUM CONFIGURATION

Bedroom:

- Canopy above king size bed with indirect LED illumination, suspended glass ceiling Satinato
- 6 halogen spots countersunk in ceiling, dimmable
- ALCANTARA wall covering for both slide outs, blind roller ducts
- Bed heading section: ALCANTARA upholstery
- LED illumination for steps

Bath:

- Wash stand top Platinum: temperature sensitive LED illumination, sensor handling
- CORIAN / STARON wash stand top with wood interlayer
- CORIAN / STARON rectangle bowl countersunk in washstand top
- CORIAN / STARON handle bar at mirror cabinet doors
- Canopy ahead mirror cabinet with indirect LED illumination and suspended glass ceiling Satinato with 4 halogen spots
- Laundry cabinet with removable chrome basket
- CORIAN / STARON angle shower tray, countersunk in CORIAN / STARON flooring
- 2x blind drainage
- Real glass angle shower partition, double-winged door with lifting automatic
- Thermostatic mixing tap, Platinum
- Rain shower sprinkler countersunk in CORIAN / STARON canopy, fibre glass starry sky

Kitchen:

- Rear panel: American cherry wood panelling
- Refrigerator integrated in furniture
- CORIAN / STARON counter top with wood interlayer
- Single hand mixing tap, Platinum

Living area:

- Suspended ceiling as panel ceiling with microfibre covering and indirect LED illumination, integrated oval dome with indirect LED illumination and suspended glass ceiling Satinato, air vent for air condition, air condition channel integrated in suspended ceiling, 8 halogen spots countersunk in ceiling, rounded furniture, integrated glass show case with illumination, rear panel mirrored, acrylic glass holder for drinking glasses, drinking glasses set
- LED illumination for steps

Miscellaneous:

- Platinum light control system / overall in vehicle: illuminated sensor operation panel
- memory light scenes, coming / leaving Home, diverse dimmer functions
- Drapes / stores / curtains / bedspread, Platinum
- Platinum design painting

WATER SYSTEM

- Fresh water tank approx. 500 l
- Grey water tank approx. 400 l
- Black water tank approx. 300 l
- Emptying slider for all tanks
- Waste water system laid in HT tubes
- Pressure water pump boosted, surge tank and filter

- Fresh water tank filling with GARDENA port
- SEAGULL - drinking water preparation plant
- Toilette tank wash up system

HEATING SYSTEM

- ALDE hot water central gas heating Compact 3010, heating power Propan 5500W/ Butan 6400 W
- WEBASTO hot water central diesel heating Thermo 90 ST, heating power 9000/7200 W
- Thermostatic steering of the heaters single or altogether via VARIO LCD panel
- Wall heating convectors in living room, bed room, bath with wood covering
- Floor heating in living area with thermostatic steering
- Floor heating in the bath
- Towel dryer bath white
- Hot water boiler 8,4 l
- Electric heating cartridge 230V - 1000 / 2000 W
- Engine heat exchanger for heating system (heating via engine waste heat)
- Night setback (heating) temporary programmable

MULTIMEDIA

- LCD flat screen TV, 32" stereo, remote control (living room)
- LCD flat screen TV, 26", stereo, remote control (bed room)
- Satellite system KATHREIN CAP 900, 85 cm parabolic reflector, fully automatic, GPS assistance, Twin LNB, Sat Receiver
- Additional Sat receiver, bedroom
- BOSE Lifestyle 18 digital Audio Home Entertainment System, UKW / MW radio, DVD-player, 5-canal-accustimass speaker system, remote control, radio input via SAT system
- GPS-Navigation KENWOOD DNX8220BT, 6,5" touch screen monitor for 2D / 3D map presentation, double DIN, dynamic recommended route with TMC, Europe map at permanent memory, radio with UKW-RDS, MW tuner, 4 x 50 W, DVD/ CD / MP3-drive, USB port, 4 speakers, combined antenna, Bluetooth hands free speaking
- Radio/DVD-Player JVC, UKW, MW, LW, KW, 2 UKW-Tuner, RDS, 4 x 30W, MP3 / CD / DVD player, 4 speakers, roof antenna (bedroom)

ELECTRIC

- 2 x 230 V CEE feed in
- Fuse protection with operator protection automatic (2 x FI)
- Automatic switch over between main power / generator power
- Absolutely service free AGM booster batteries 12V/900 Ah
- MASTERVOLT charger / sinus inverter combination, charge power 12V/100A, external current tunable between 4-16 A, sinus inverter with 12 – 230V / 2500 VA, automatic switch over
- Charger / converter unit 2 x 24-14,3V/40A with integrated electronic cut-off relay
- 12 V fuses
- VARIO LCD Panel with fresh- and waste water monitoring, battery display
- Controller for battery off-cut capacity
- VARIO relay splitter block
- Diverse additional outlets
- Charger 24V/15A for Start batteries with temperature sensor

AIR CONDITION

- Air condition system „COOL IN“ Split with double compressor aggregate, 230V, cooling capacity approx. 3200W, 2 vaporizer integrated in furniture, double compressor- / condenser unit under floor installation, remote control
- Air condition channel in false ceiling with air vent
- Air condition system TRUMA Saphir Vario, 230V, cooling capacity 600/1500/2000W, Double compressor aggregate, integrated in furniture, electronic temperature control, remote control, air vent

SOLAR

- Solar panels 250 W with charger

GENERATOR

- Diesel generator ONAN, 8 KW, 230V, 1500U/min, 3 cylinder KUBOTA diesel engine, water cooled, noise absorber box with integrated cooler / fan unit and exhaust system, operating panel

CAR-GARAGE

- Car-Garage (compact car) with partial movable rear panel and rear bumper, strengthened frame construction, bent frame all around (rear end)
- Electrical sliding platform with wireless remote control for automatic car-entering, payload approx. 1.300 kg, car: BMW Mini
- Tailgate for car-garage with hydraulic operating and wireless remote control, blind internal hinges instead of external hinge band

GAS

- Truma Secumation Gas bottles port for 2 x 11 kg bottles with blocking system
- Gas tank system 2 x 60 l with ice-ex, distance filling level display, distance filling, Secumation
- Gas extraction valve in storage room
- GIM gas bottles filling level display for two gas bottles (steel)
- 2-flames gas glass-ceramic cooker
- 190 l DOMETIC refrigerator with AES (Gas, 12V, 230V)

PAINTING

- Painting mirrors / mirror arms

MISCELLANEOUS

- 2 x CEE connecting cable 230V
- German technical inspection TÜV, certificate
- Ultra sound alarm system with door- / storage contacts
